

Essential Question

How did Andrew Jackson rise to greatly change the early United states?

*Charmandrew
Jackson*

Why You Should Care

Jackson was the man who truly put the focus of America on the common people – but not all of the people as we will see.

Jackson the Warrior

Jackson became known for fighting Indians on the frontier and famous for defeating the British in New Orleans.

The remainder of today's presentation will feature commentary from two guest speakers.

Farmer James McPoor

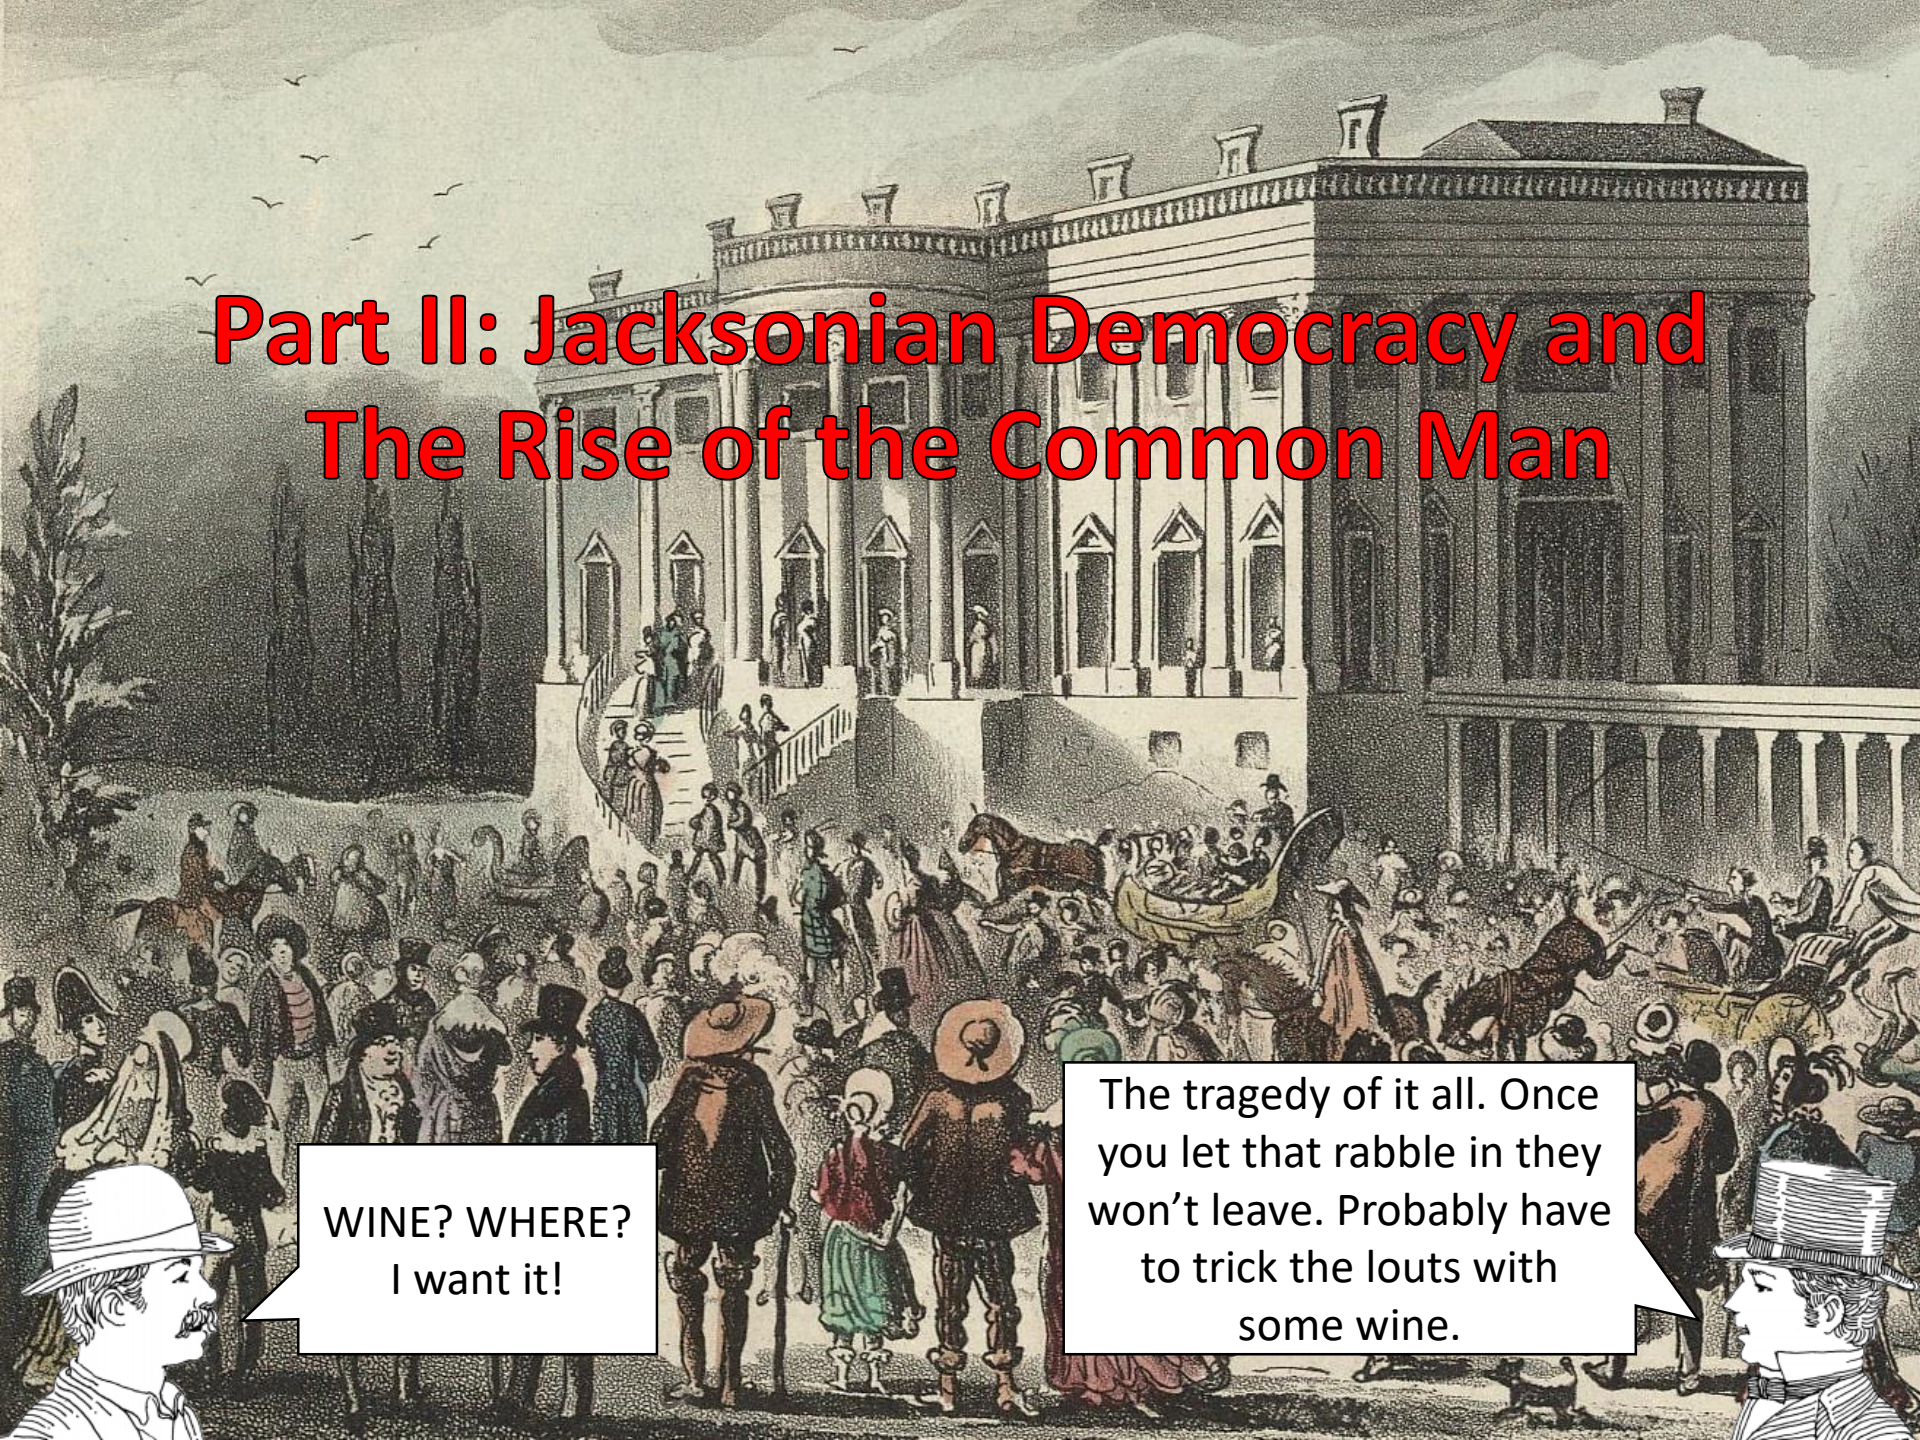

Yee ha
dude!

Banker Alfred Wealthybottom

'Tis my great
honor to make
your acquaintance
viewer.

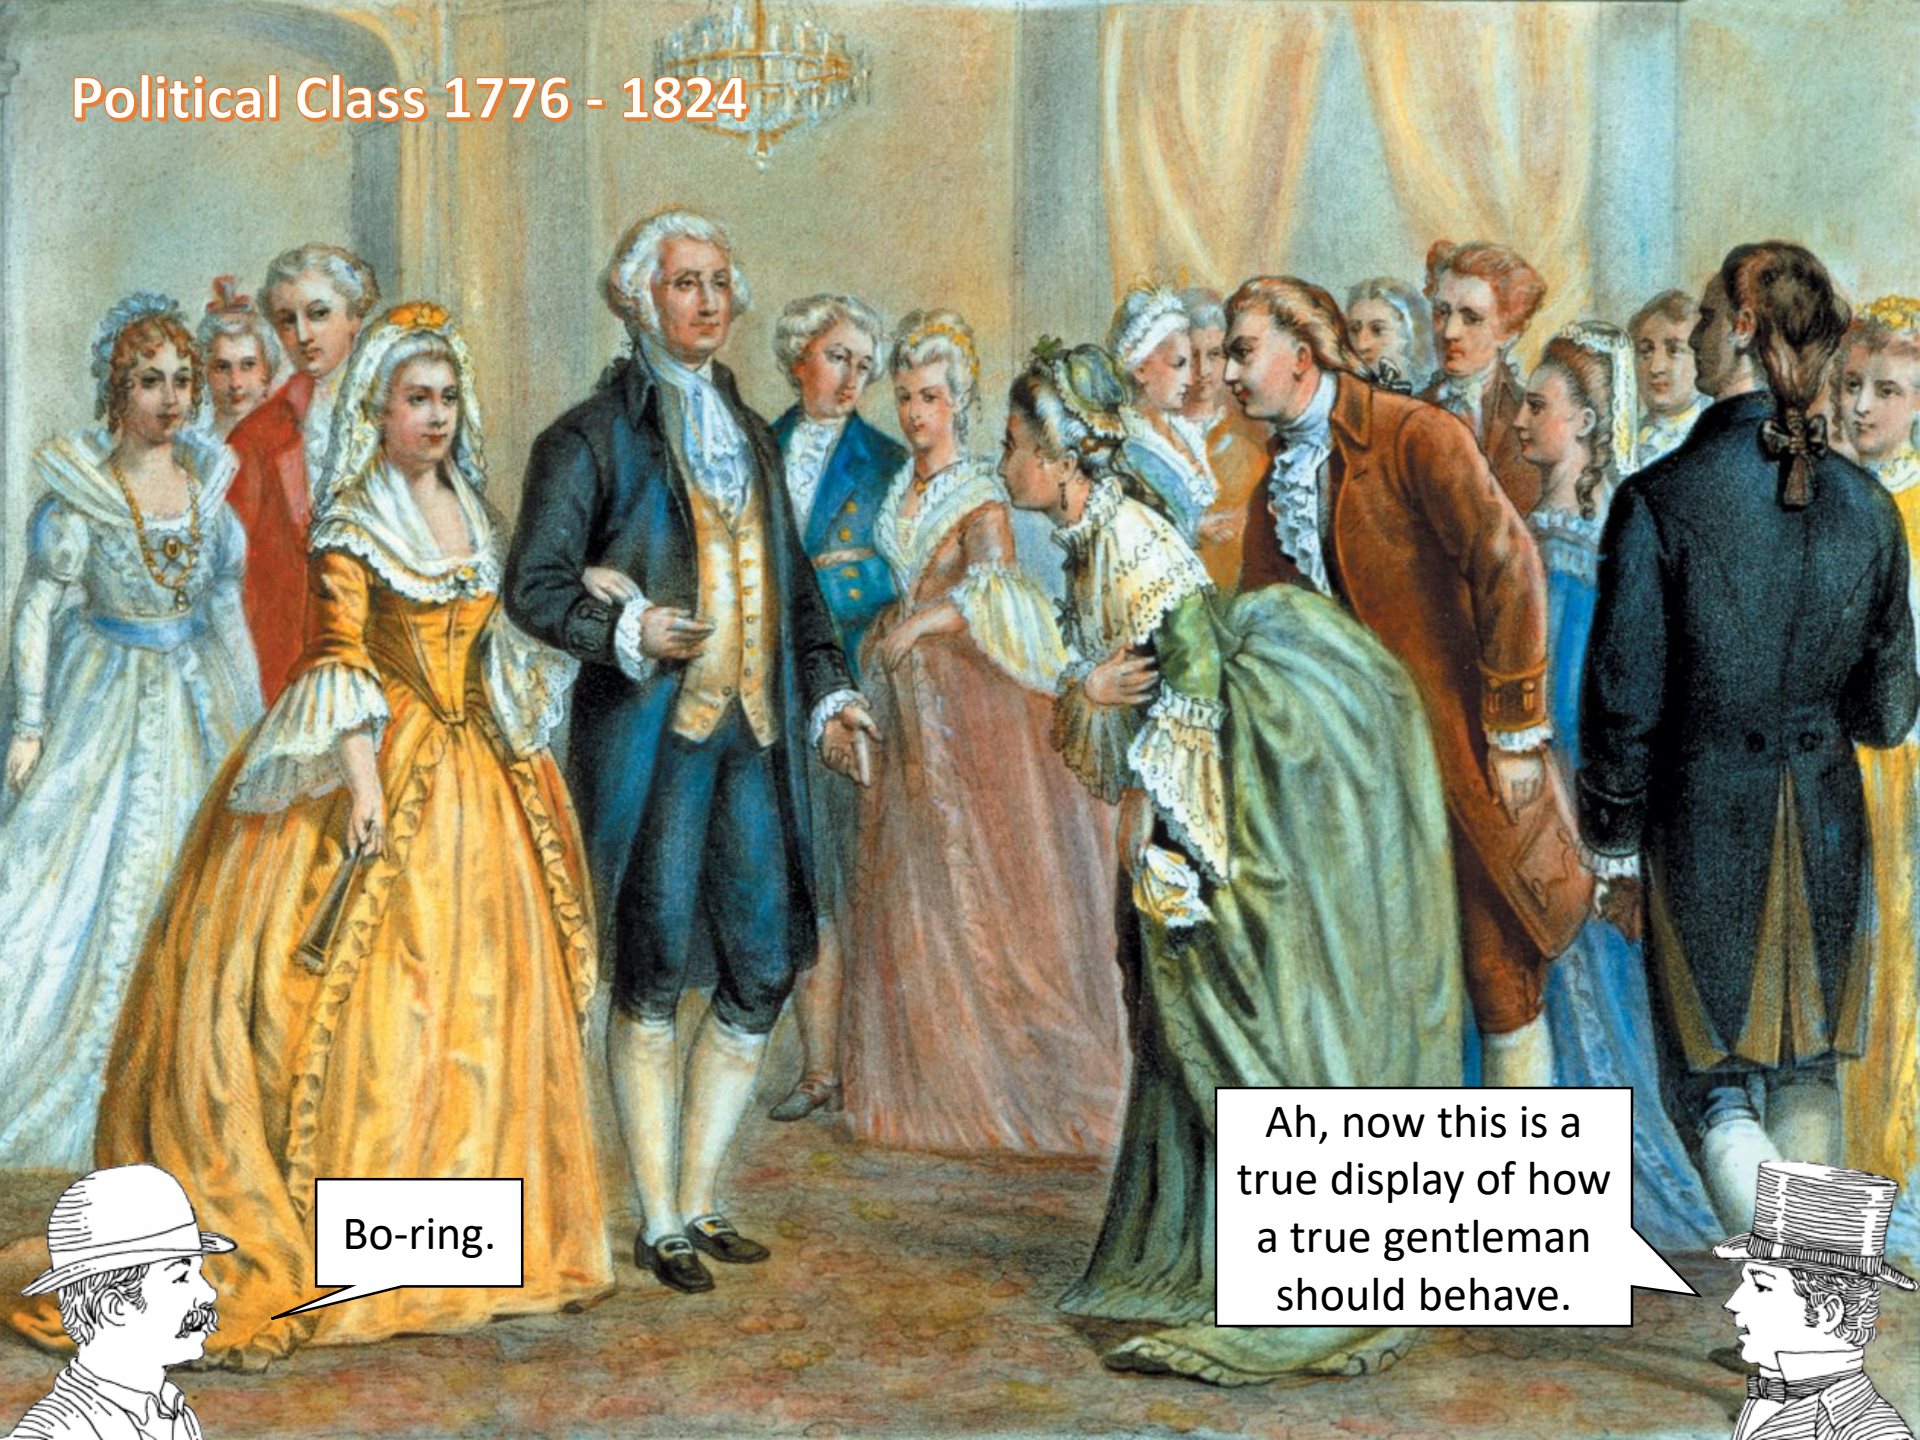

Part II: Jacksonian Democracy and The Rise of the Common Man

WINE? WHERE?
I want it!

The tragedy of it all. Once you let that rabble in they won't leave. Probably have to trick the louts with some wine.

Political Class 1776 - 1824

Bo-ring.

Ah, now this is a true display of how a true gentleman should behave.

Political Class 1824 - 1836

Bro, this is how you party! Look at the size of that cheese man! Whew doggy!

A rabble, a mob, scrambling, fighting, romping. But it was the people's day and the people's president.

The Election of 1824

Yeah!
We won!
We won!

Silly farmer, haven't
you read the
Constitution? The
president isn't elected
by popular vote!

House Of Representatives

Random!
Pick
random!

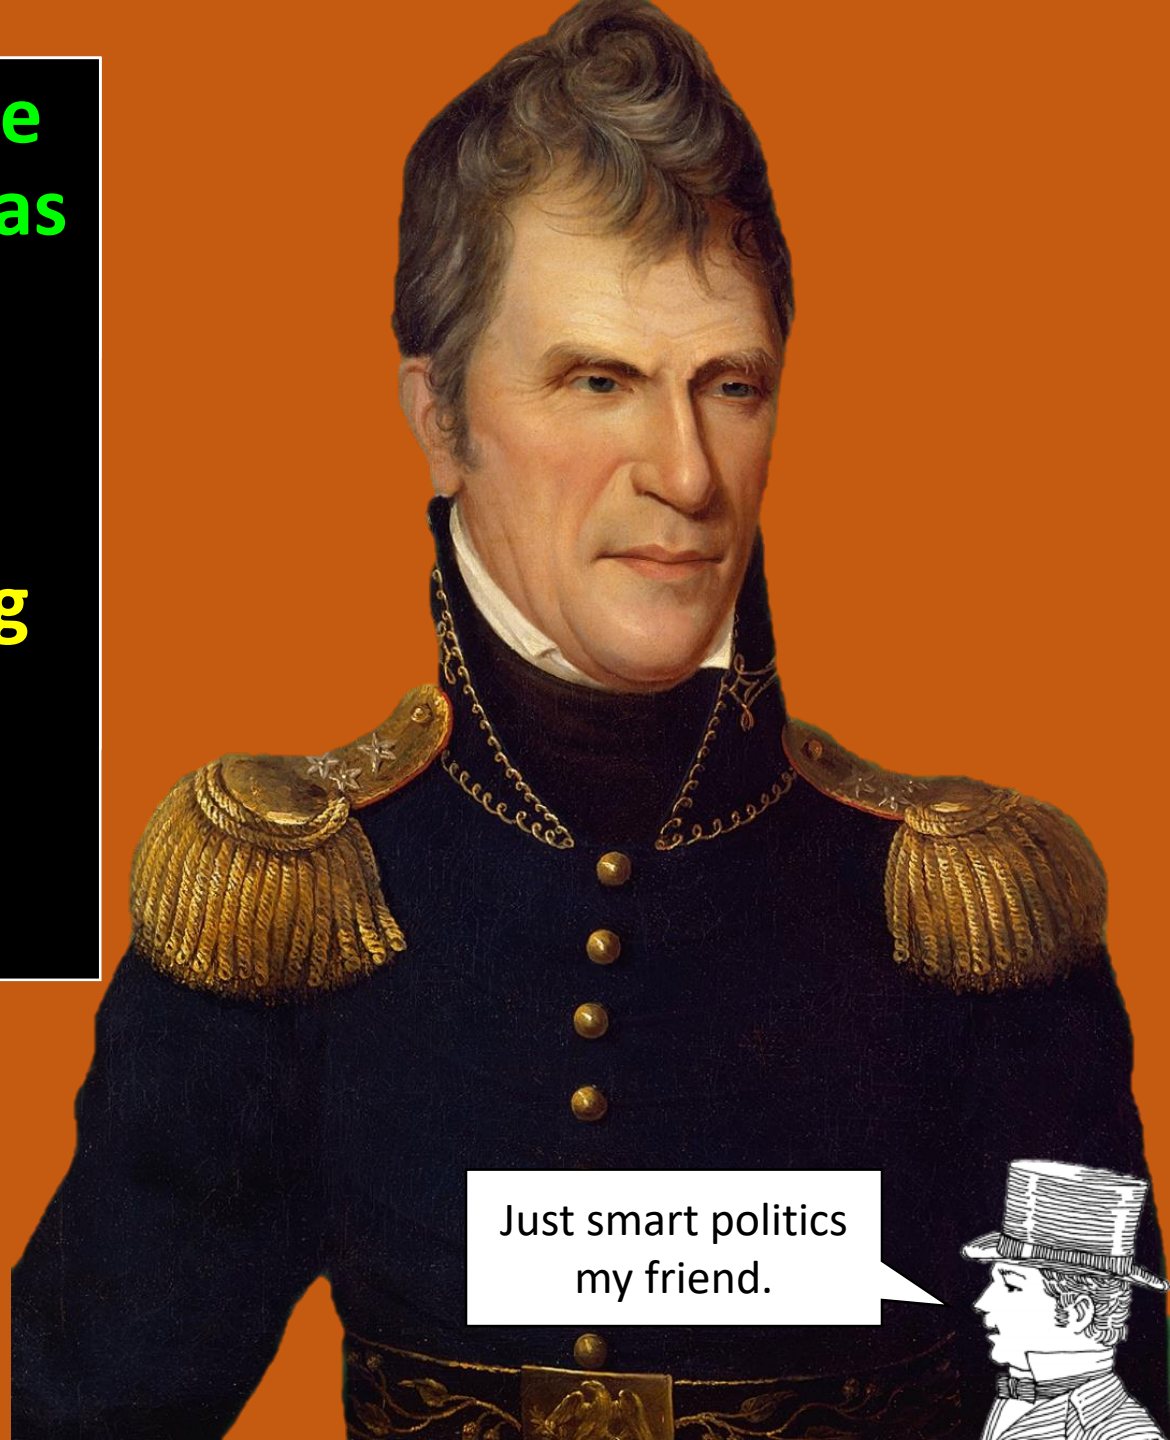

Random all you want,
it will always be the
House of
Representatives.

Jackson received the most votes so he was happy.

Henry Clay made a deal with Adams to support him causing Adams to win.

Now Jackson was angry.

Now that is a
**Corrupt
Bargain!**

Just smart politics
my friend.

Your wife is a two-timer and you can't spell!

The rematch was filled with mudslinging – making wild charges and lies about a candidate.

The Election of 1828

```
JOHN Q. DIGLET  
used MUD-SLING!
```

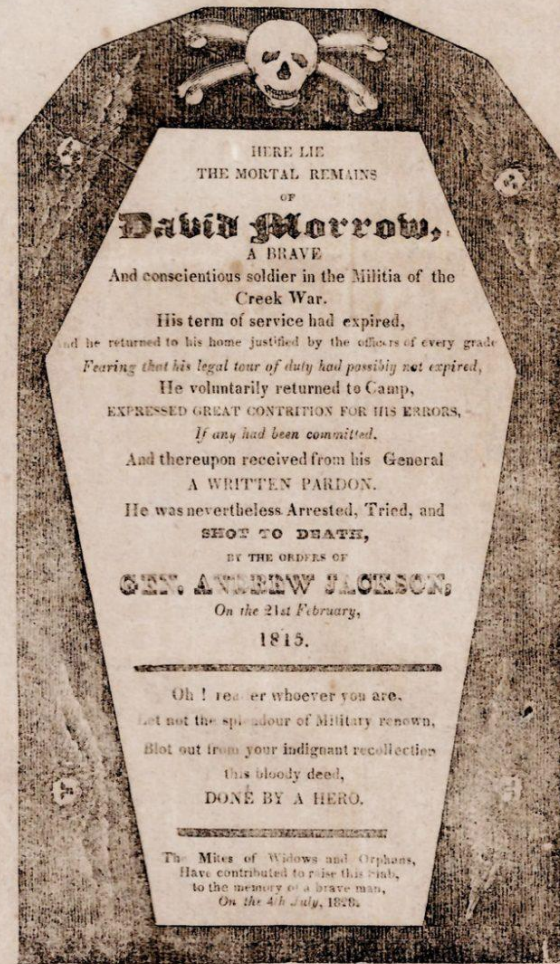

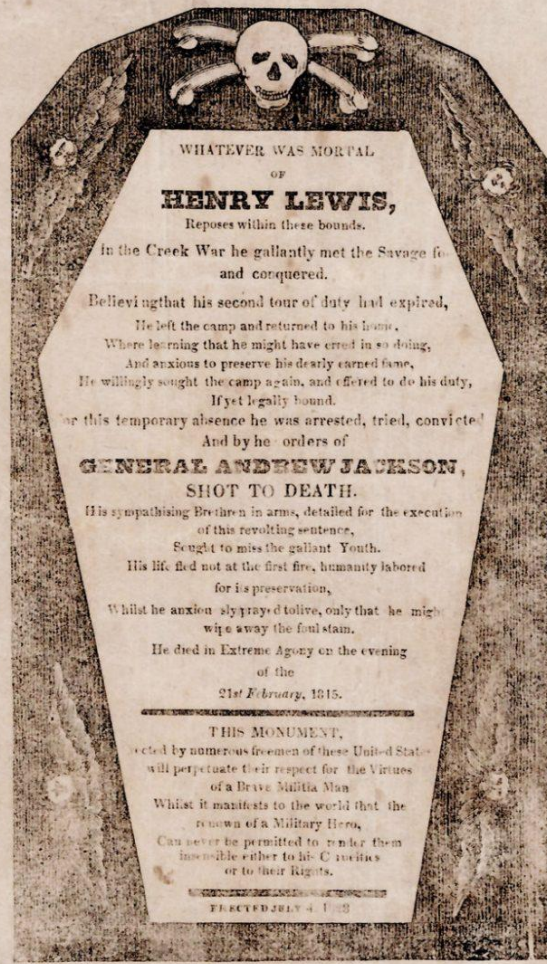

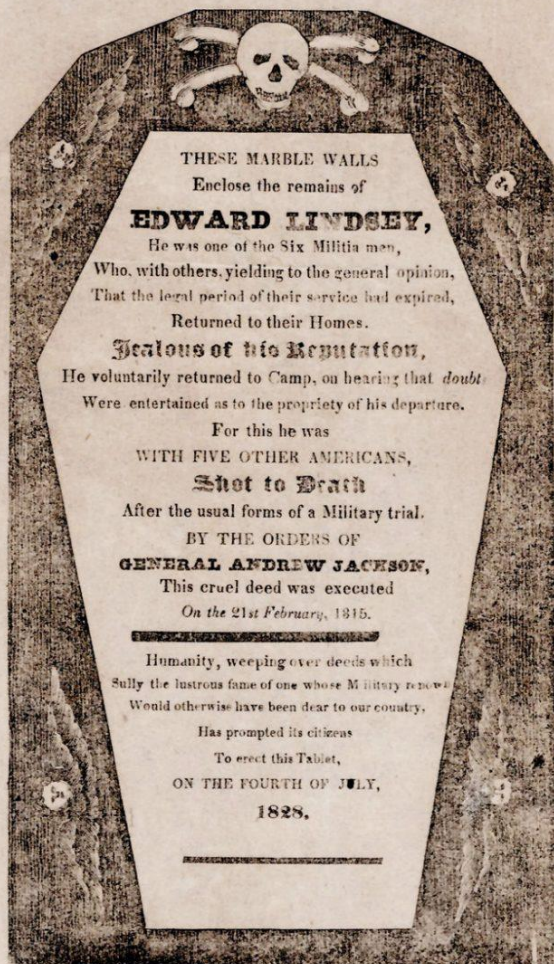

```
It's not very  
effective!
```

Oh snap!

MONUMENTAL INSCRIPTIONS !

THESE Incriptions, compiled from authentic sources, but principally from OFFICIAL DOCUMENTS, communicated by the Department of War to Congress, on the 25th of January, 1828, are, in this form, submitted to the serious consideration of the AMERICAN PEOPLE, under the firm conviction, that the facts embodied in them, ought to, and will, produce a cool and deliberate examination of the qualifications, from Nature and Education, of General ANDREW JACKSON, for the high Civil Station to which he aspires, and to attain which he electioneers with a boldness and pertinacity, unexampled in this Republic. If he shall be found guilty of having ILLEGALLY AND WANTONLY SHED THE BLOOD OF HIS COUNTRYMEN AND FELLOW SOLDIERS, ENTRUST NOT THE LIBERTY AND HAPPINESS OF THIS MOST FREE AND MOST HAPPY COUNTRY TO HIS KEEPING.

Jackson fired back with mud of his own and won... by a lot.

You money lovin' dirtbag!!

The Election of 1828

CHARMANDREW
used MUD-SLING!

It's super
effective!

Oh
snap!

Oh snap
indeed!

So, what changed from 1824 to 1828?

Population Density, 1830

Population shifts West

Factories replace workshops in the North

Family farms give way to cotton plantations in the south

Number of persons per square mile

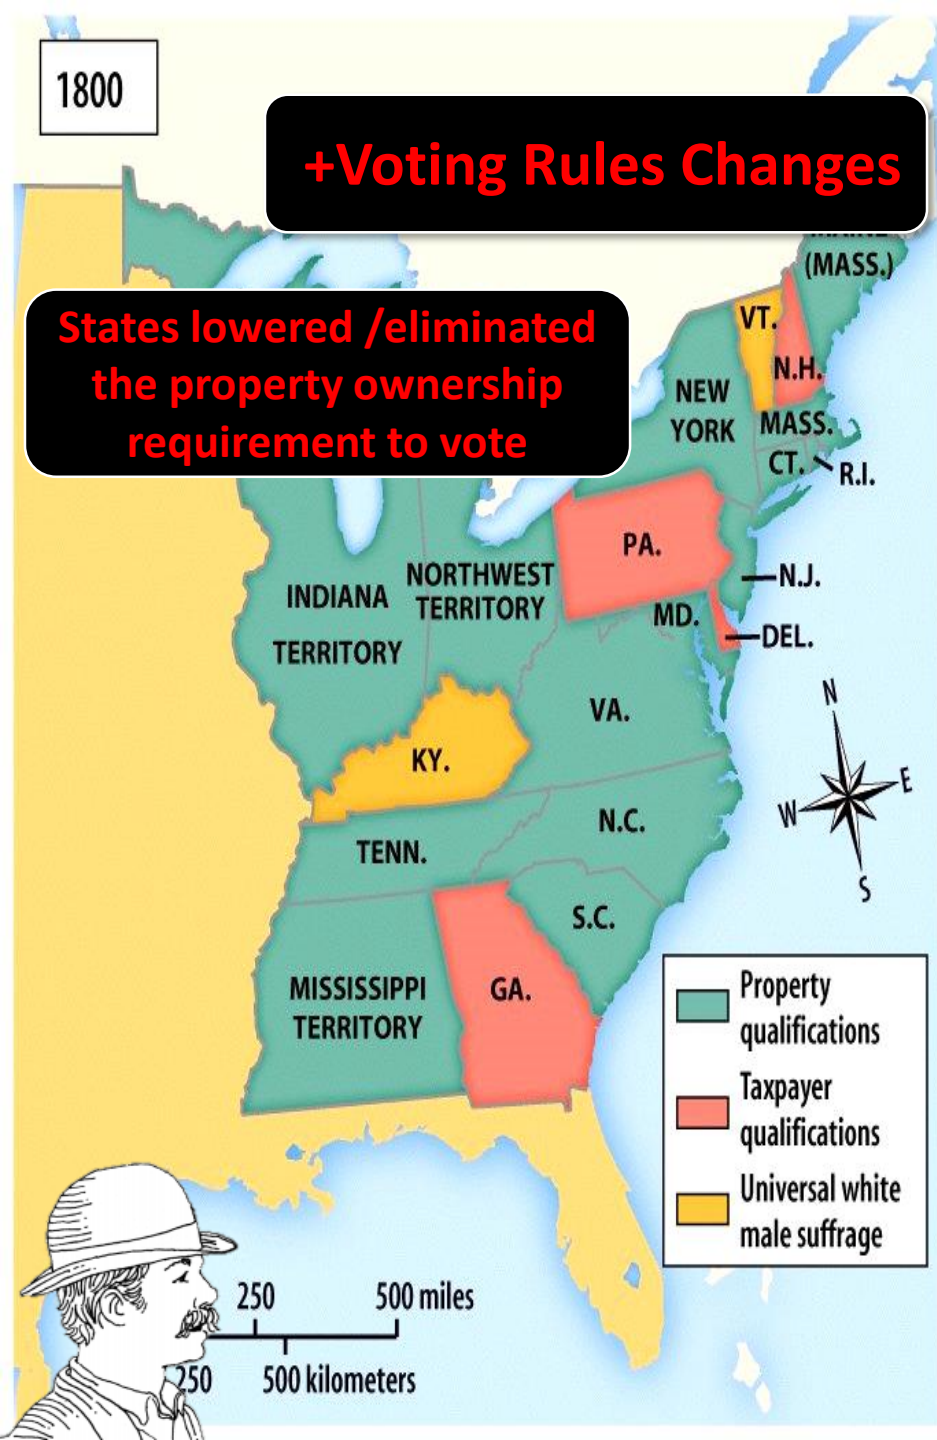

- 90 or more
- 45-90
- 18-45
- 6-18
- 2-6
- 2 or fewer

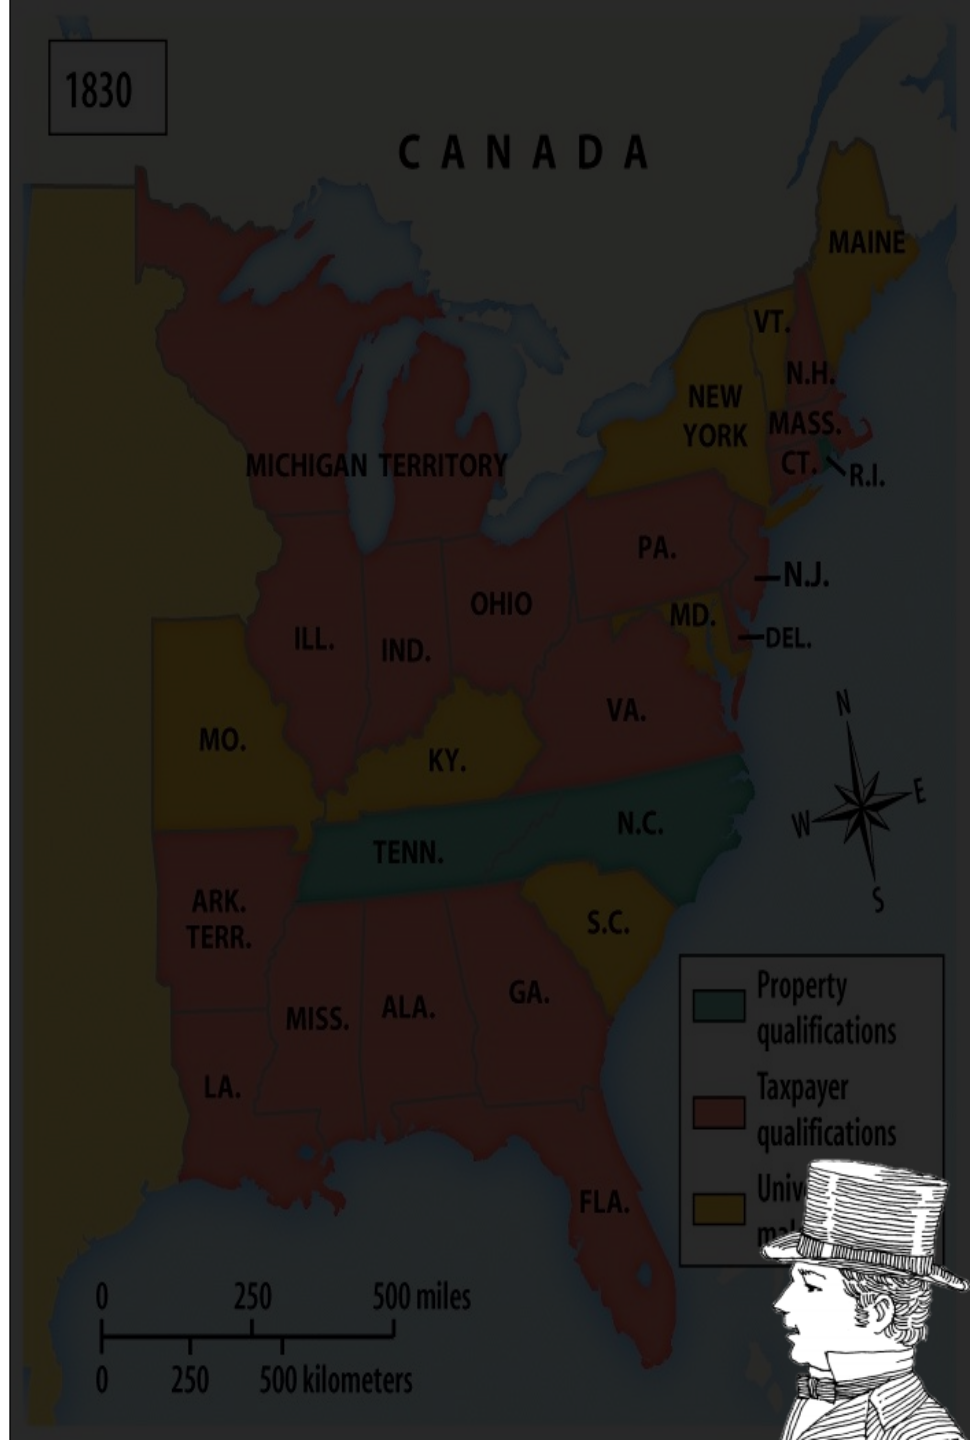

1800

+Voting Rules Changes

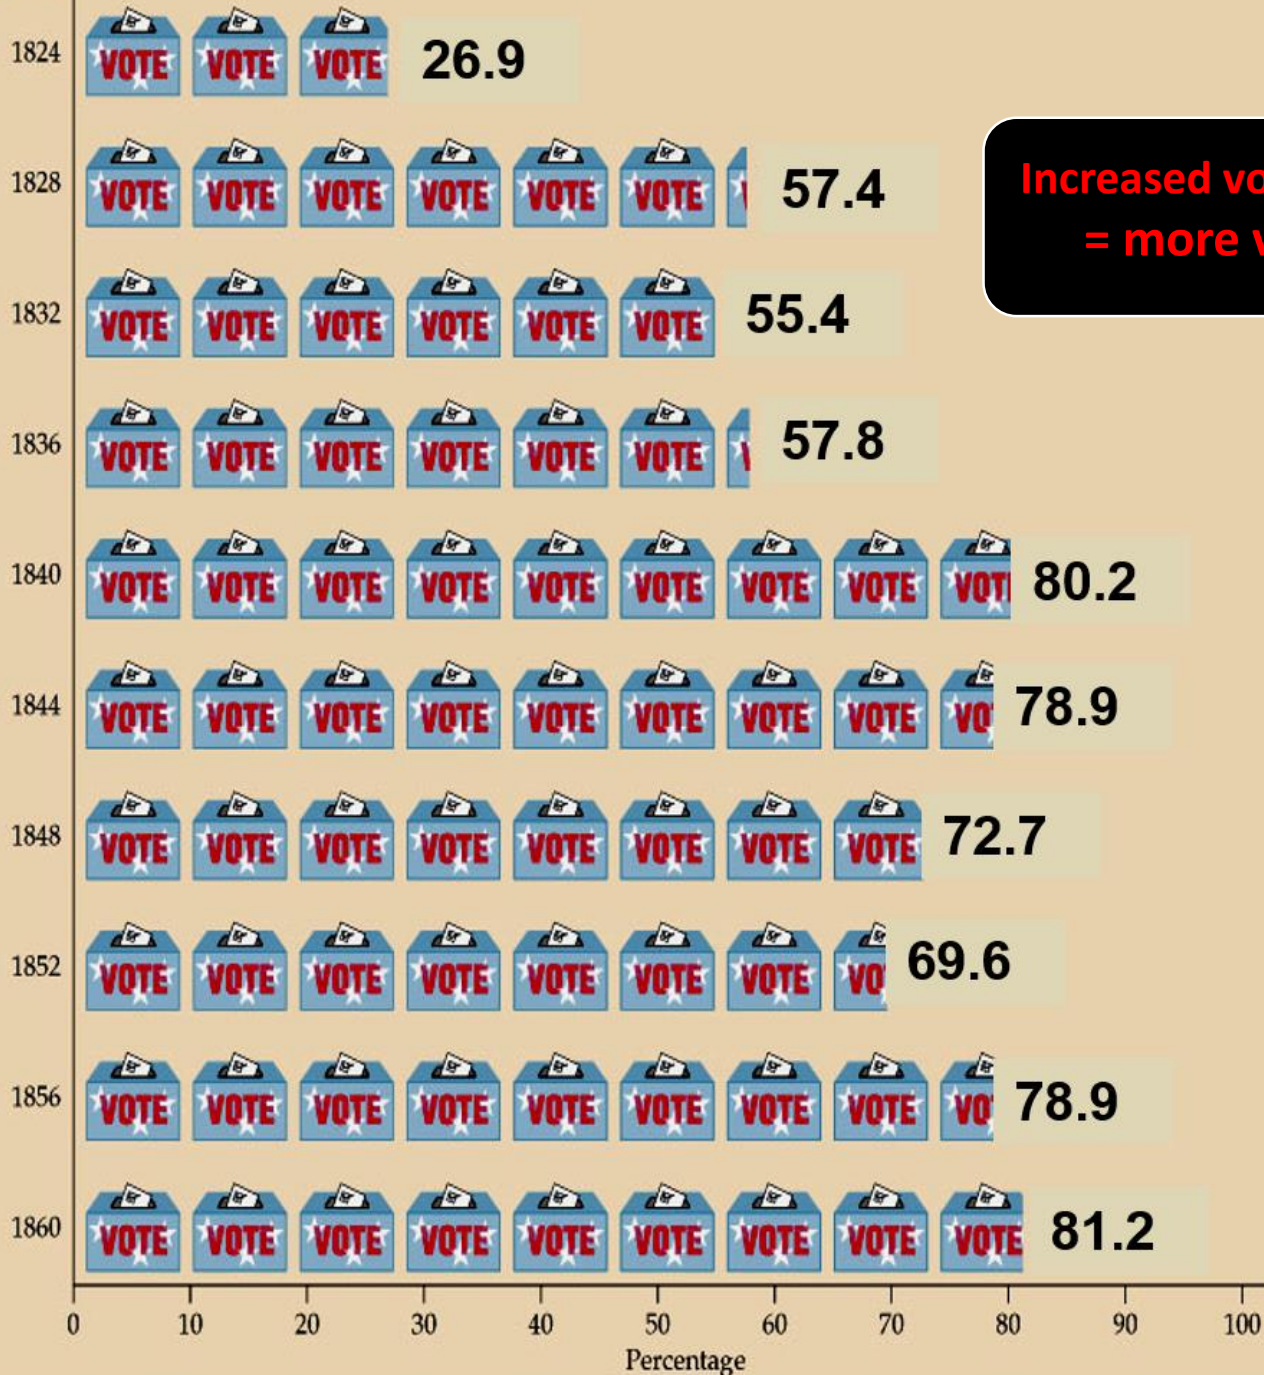

States lowered /eliminated the property ownership requirement to vote

1830

Years

**Increased voting rights
= more voters!**

Jacksonian Democracy

Supported limited govt like Jefferson but added that government should be for and BY the common man.

There's like a lot of us and like a little of you. Shouldn't government serve us?

Silly Thomas started all this nonsense.

Recap

- Democracy expanded in the 1820s as more Americans held the right to vote.
- Jackson's victory in the election of 1828 marked a change in American politics.
- Wealth was concentrated among fewer people.
- Many ordinary Americans believed the wealthy were tightening their grip on power in the United States.
- Small farmers, frontier settlers, and slaveholders backed Andrew Jackson in the election of 1828.
 - They believed he would defend the rights of common people and the slave states.

Jackson will show you! Power to the people!

... this should be interesting
